

**DECLARATION IN COPENDING CONTINUATION,  
CONTINUATION-IN-PART OR DIVISIONAL APPLICATION  
AND POWER OF ATTORNEY**

I, Byoung Se Kwon declare:

1. This declaration is an original and this application is a divisional application.
2. I have reviewed and understand the contents of the application, including the claims attached hereto as amended by the attached amendment, including the claims.
3. The post office address and citizenship indicated below next to my name are correct. I believe that I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled: "NEW RECEPTOR AND RELATED PRODUCTS AND METHODS" and disclosed in the application attached hereto;
4. This application discloses and claims subject matter disclosed in earlier filed pending application, Serial No. 08/122,796, filed September 16, 1993, which is a continuation-in-part of co-pending application Serial No. 08/012,269, filed February 1, 1993, which is a continuation-in-part of co-pending application Serial No. 07/922,996, filed July 30, 1992, which is a continuation-in-part of co-pending application Serial No. 07/267,577, filed November 7, 1988, now abandoned; the benefit under 35 USC §120 of said earlier applications is hereby claimed;
5. That I acknowledge my duty to disclose information which is material to the examination of a this application in accordance with 37 C.F.R. §1.56(a), including, as to any subject matter of this application which is not common to the earlier application(s), any information which occurred between the filing date of the earlier application(s) and this application.
6. As to the subject matter of this application which is common to said earlier application:
  - a. I do not know and do not believe that the same was ever known or used in the United States of America before our invention thereof or patented or described in any printed publication in any country before our invention, thereof, or more than one year prior to said earlier application, or in public use or on sale in the United States of America more than one year prior to said earlier application;
  - b. The common subject matter has not been patented or made the subject of an inventor's certificate issued before the date of said earlier application in any country foreign to the United States of American on an application filed by us or our legal representatives or assigns more than twelve months prior to said earlier application;
  - c. No application for patent or inventor's certificate on said subject matter has been filed by us or our representative or assigns in any country foreign to the United States of America,

7. As to the subject matter of this application which is not common to said earlier application:

- a. I do not know and do not believe that the same was ever known or used in the United States of America before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States of America more than one year prior to the date of this application,
- b. said subject matter has not been patented or made the subject of an inventor's certificate issued in any country foreign to the United States of America on an application filed by us or our legal representative or assigns more than twelve months prior to the date of this application;
- c. No application for patent or inventor's certificate on said invention has been filed by us or our representative or assigns in any country foreign to the United States of America.

The following attorneys and agent are hereby appointed to prosecute this application and transact all business in the Patent and Trademark Office connected therewith:

(2) Michael F. Brown,  
Christopher A. Michaels,
